

EMPLOYMENT REFERENCE LETTER

Corian Park Earthmoving Pty Ltd

To Whom It May Concern,

I am writing this letter to confirm the employment of **Dominik Paes** with **Corian Park Earthmoving Pty Ltd**, where he was employed as a **Machinery Operator and Team Leader** from **August 2023 to October 2023** at our project site in **Wemen, Victoria, Australia**.

During this period, Corian Park Earthmoving was engaged in agricultural earthworks involving the removal of old and non-profitable olive trees as part of farm redevelopment works. **Dominik Paes** played a key role in the successful delivery of this project.

Initially, his responsibilities included operating a **Moxy dump truck**, assisting with the loading, transport, and unloading of removed olive trees. He demonstrated strong technical competence, a high level of safety awareness, and the ability to work efficiently in a fast-paced agricultural environment.

As the project progressed, **Dominik Paes** was entrusted with additional responsibility and appointed to lead a **team of five workers**. In this role, he was responsible for organising daily tasks, coordinating cleanup operations, and supervising the safe handling and burning of removed vegetation. He showed excellent leadership skills, ensuring work was completed efficiently while maintaining safety and environmental standards.

Throughout his employment, **Dominik Paes** regularly operated and worked alongside machinery including **dump trucks, skid steer loaders, and loaders**. He demonstrated sound judgement, strong problem-solving skills, and reliability, often working independently and making practical decisions to keep operations running smoothly.

Based on his performance, I can confidently state that **Dominik Paes** is a highly capable machinery operator with proven experience in **agricultural earthworks**, team leadership, and responsible machinery operation. He was a valued member of our workforce, and I would have no hesitation in recommending him for similar roles within the agricultural or earthmoving sectors.

Should you require any further information, please do not hesitate to contact me.

Yours sincerely,
