Professional Summary

Reliable and safety-conscious agricultural worker with experience supervising large harvest crews and coordinating machinery at Australia’s largest olive farm. Skilled in operating harvesters, headers, chaser bins, tractors, and loaders, with strong focus on safety, efficiency, and teamwork.

Key Strengths

Heavy Machinery Operation – Skilled in operating headers, harvesters, chaser bins, tractors, loaders, and other heavy equipment.

Team Leadership – Supervised and coordinated large harvest teams, ensuring smooth operations and problem resolution.

Safety & Compliance – White Card, LVR/CPR, firefighting, and asbestos removal certified; committed to maintaining safe worksites.

Maintenance & Reliability – Experienced in machinery upkeep, troubleshooting, and reporting issues promptly.

Work Ethic & Endurance – Proven ability to thrive in physically demanding, seasonal, and high-pressure environments.

Relevant work experience

Supervisor – Boundary Bend Olives (04.2023 – 07.2023, 04.2024 – 08.2024, 04.2025 – 09.2025)

- Coordinated and supervised large-scale harvesting operations at Australia’s largest olive farm.
- Directed harvesters, chaser bins, bin runners, truck drivers, and factory workers to ensure safe and efficient workflow.
- Served as first point of contact for troubleshooting and resolving operational issues.
